KOSTUM

Gate Agalon

Gate - Cosy
Available as hinged and sliding gate

The Agalon gate is a good compromise between security and an opening to the outside. Half-boarded, it is an ideal solution for owners of small animals to prevent them from escaping from the garden. Its openwork slats allow light to filter through subtly, while respecting your need for privacy. A safe bet that will satisfy even the most demanding requirements.

25 STANDARD COLORS AND MORE THAN 300 OPTIONAL
