Pedestrian gate Esus

Pedestrian gate - Archy

The Esus pedestrian gate, a true emblem of power and robustness within the Archi range. Boasting a style that is both industrial and urban, this pedestrian gate showcases aluminium through sheets that play with shapes and volumes. Combining modernity and graphic design, it will captivate both lovers of contemporary style and those attached to tradition. Esus guarantees an entrance fully boarded with character, where security is at the heart of its imposing design.
